FUNDRAISING CAMPAIGN

Dear parents and students,

Here are a few important details concerning the fundraising campaign:

The products will be distributed to all students participating on November 2. Everything that is sold puts money into the student's own "School" account to pay for things such as sports, trips, graduation, prom, anything school related. The money stays in this account until Secondary 5 and more money can be added to it every year if saving up for something like the school trip to Europe!!

Have fun!!
