Scheduled "OPEN HOUSE" Visits 2016-2017

"OPEN HOUSE" visits are a great opportunity for you and/or your parents to tour campuses to gain a sense of a school's physical environment, academic programs and student life in general. Most "OPEN HOUSE" events occur on weekends and students are responsible for their own transportation. The following is a list of scheduled dates to mark in your agenda. I strongly encourage you to visit as many schools as possible.
