

Note that the MOZAIK online site will be open until March 20, 2017 to receive and process online course selection. Failure to complete this process will result in your courses being assigned based on availability.

Dear Parent/Guardian,

As a follow up to our previous emails, you may now choose your child's courses for the 2017-2018 school year through the secure MOZAIK website.

You can access the site from the ETSB website under the PARENTS TAB or at <https://inscription.espacemozaik.ca>

MOZAIK - COURSE SELECTION **GENERAL GUIDELINES FOR ALL LEVELS**

1. Course Selection is made up of **Assigned, Required and /or Option** courses that you must choose from.
2. Being a web site, you just need to click on each selection in order of preference.
3. Where there are only two choices, the first choice you click on is your default #1, and the remaining choice is automatically registered as your second.
4. For Arts Activity, please click on your choices in order of preference, 1 through 4. Whenever possible your first choice is given to you, but as this process is on a first come, first served basis, your alternate choices are considered firm commitments.
5. A complete timetable is **36 periods** and you will not be able to click on the button to confirm your choices until that number has been achieved.
6. All placements are re-evaluated pending final June results.
7. Any course or program with an enrolment under 20 is subject to cancellation. Alternate choices are considered firm commitments.
8. You may not modify your choices online once they have been made, so choose carefully!
9. Students that do not complete their course selection will be assigned their courses for next year based on availability.
