

Note that the MOZAIK online site will be open until March 2, 2018 to receive and process online course selection. Failure to complete this process will result in your courses being assigned based on availability.

Dear Parent/Guardian,

As a follow up to our previous emails, you may now choose your child's courses for the 2018-2019 school year through the secure MOZAIK website.

You can access the site from the ETSB website under the PARENTS TAB or at <https://inscription.espacemozaik.ca>

MOZAIK - COURSE SELECTION **GENERAL GUIDELINES FOR ALL LEVELS**

1. Course Selection is made up of **Assigned, Required and /or Option** courses that you must choose from.
2. Being a web site, you just need to click on each selection in order of preference.
3. Where there are only two choices, the first choice you click on is your default #1, and the remaining choice is automatically registered as your second.
4. For Arts Activity, please click on your choices in order of preference, 1 through 4. Whenever possible your first choice is given to you, but as this process is on a first come, first served basis, your alternate choices are considered firm commitments.
5. A complete timetable is **36 periods** and you will not be able to click on the button to confirm your choices until that number has been achieved.
6. All placements are re-evaluated pending final June results.
7. Any course or program with an enrolment under 20 is subject to cancellation. Alternate choices are considered firm commitments.
8. You may not modify your choices online once they have been made, so choose carefully!
9. Students that do not complete their course selection will be assigned their courses for next year based on availability.

10. DEADLINE FOR COMPLETED COURSE SELECTION:
MARCH 2nd, 2018

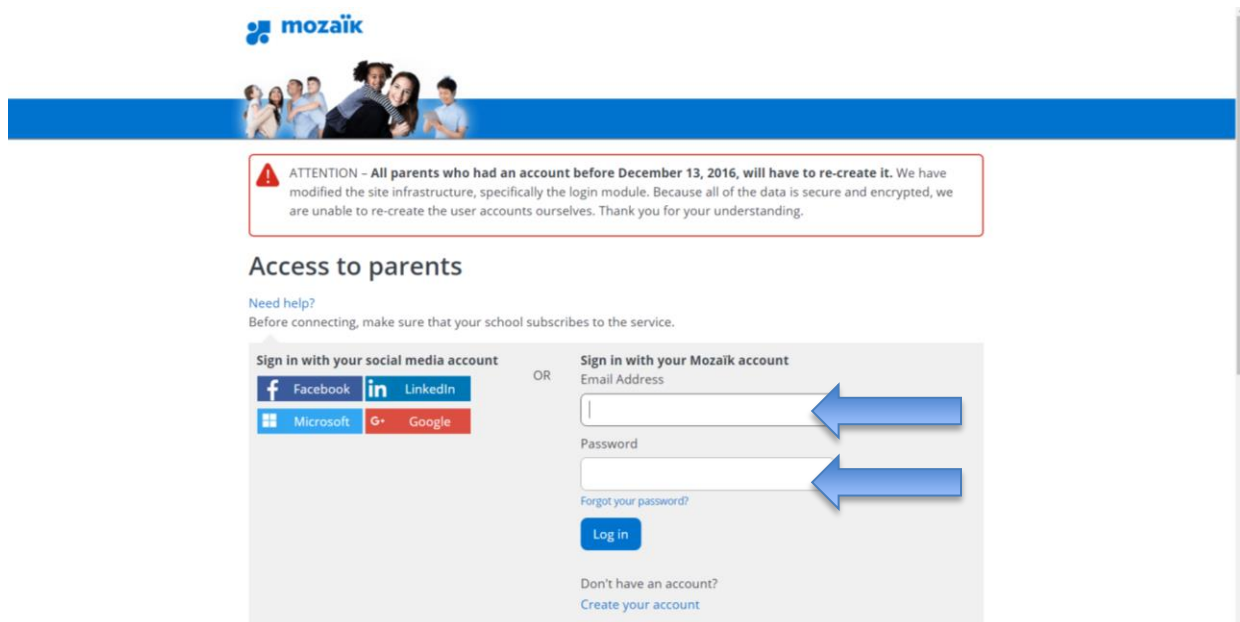

Steps to follow:

1. Be sure to use the MOZAIK website and not the ETSB Parent Portal.
2. Click the **LOG IN** button on the top of the page.

The screenshot shows the top navigation bar of the Mozaik website. On the left is the 'mozaïkportail' logo. On the right is a 'Log in' button with a language selector set to 'Fr'. Below the navigation bar is a banner image of five diverse children smiling. The main heading is 'Mozaïk-Inscription' with the subtext 'The simple and efficient way to re-register your child at school!'. Below this, there is a paragraph explaining the service and a note about language. Three service icons are displayed: 'School' (house icon), 'Daycare service' (calendar icon), and 'Course Selection' (notepad icon). Each icon has a brief description of the service.

3. You must use the email you provided to your school (the one which received this email), AND the one you used to access the re-registration information.
4. **You do NOT need to create a new account and request a new verification code.**
5. Enter your email address and Password in the appropriate boxes.

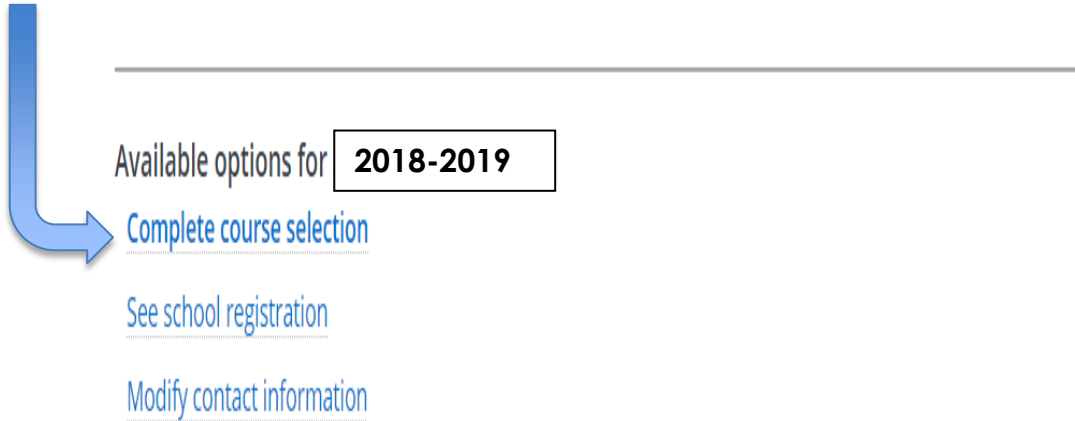

The screenshot shows the login page of the Mozaik website. At the top is the 'mozaïk' logo and a banner image of children. A red-bordered warning box contains the following text: 'ATTENTION - All parents who had an account before December 13, 2016, will have to re-create it. We have modified the site infrastructure, specifically the login module. Because all of the data is secure and encrypted, we are unable to re-create the user accounts ourselves. Thank you for your understanding.' Below the warning is the heading 'Access to parents' and a 'Need help?' link. A note states: 'Before connecting, make sure that your school subscribes to the service.' The login section is divided into two options: 'Sign in with your social media account' (with buttons for Facebook, LinkedIn, Microsoft, and Google) and 'Sign in with your Mozaik account'. The latter option includes an 'Email Address' field, a 'Password' field, a 'Forgot your password?' link, and a 'Log in' button. Two blue arrows point to the 'Email Address' and 'Password' fields. At the bottom, there is a link for 'Don't have an account? Create your account'.

6. Below your student's name, under available options for the upcoming school year, you will see a new entry for Course Selection entry.

NOTE: you must have confirmed your student's re-registration before Course Selection may be done.

7. Click this link.

SECONDARY 1 THROUGH SECONDARY 3

1. Below is an example of what you will see if you are in Secondary 1 through Secondary 3.
2. Secondary 1 through Secondary 3 must choose their program, French Immersion or Regular classes and their Arts activity choices.

Course Selection 2018-2019

Massey-Vanier High School
French Imm. Sec. 3 Number of periods required: 36

Courses assigned by the school

Please complete your course selection by March 17, 2017. Please read all information provided, carefully. Please choose your program of choice, French Immersion or Regular. First choices are always given when possible. Any course or program with an enrolment of less than 25 may be cancelled. Alternates are considered firm commitments. Students who fail to complete their online course selection by the deadline date will have their choices assigned based on availability.
