

SUMMER SCHOOL 2018

The end of year is approaching quickly, and we would like to take this opportunity to wish all our ETSB students the greatest success in their final examinations. End of year results for Sec I, II and III exams will be shared on the final report card. However, the results of June Ministry exams (Sec 4 and 5) should be made available on the Mozaik Portal by July 6th, 2018. Please check the portal, as these marks are the official Ministry results that determine a passing grade.

For those students who were not successful in passing the Sec 4 (Math, Science) or Sec 5 (English, FSL) Ministry sanctioned courses, online tutoring sessions in preparation for retake exams will be available to students via LEARN Quebec. These will run from July 12th to Aug 3rd, 2018, from 8:30 a.m. to 12:30 p.m.:

- Math, Secondary 4, Cultural, Social and Technical Path (CST)
- Math Bridge, Secondary 4, CST to SN pathway
- Science and Technology, Secondary 4 (Science or Applied Path)

A live (online) teacher will be available to review concepts that may be covered on the make-up exam. Students may interact with the online teacher and ask questions in a small group setting (15-17 students). *A minimum of 8 students is required for each tutorial sessions to take place.*

The cost of these sessions is \$250. Students must register for the online classes @ the following weblink: www.learnquebec.ca/summerschool .

Retake exams will be available free of charge at the Eastern Townships School Board offices, 340 St-Jean-Bosco, Magog, QC J1X 1K9, during the week of July 27th to August 3rd, 2018.
