PRINCIPAL'S MESSAGE

Good day Massey-Vanier community,

Another year comes to a close and what a year it has been. With the implementation of our student support "LIFT" periods, it has become clear that what we are doing is shifting the school culture and moving us farther along towards our goal of high levels of learning for all students.

This past May and June in our auditorium we had two nights of academic recognition. The very supportive families of our MV students were present to help us celebrate over 250+ students for the 2018-19 school year. It was an amazing event and great school spirit was in the air.

The attendance and the number of students recognized symbolizes what learning and the celebrating of success really are. Education is not a race, or a competition to be won, or lost, or to place 1st, 2nd or 3rd in. No, learning is a journey and we have been working hard at MV to help students understand this.

High academic achievement is absolutely something to be recognized and we do this at the end of every term with our Honour Roll/Principal's List ceremony and as well, in Secondary 5 with our Governor General Awards Ceremony. But the end of the year is about 180 days of student grit, hard work, perseverance and achievement throughout this journey of their learning.

In ending my letter I want to wish everyone a wonderful, relaxing and safe summer. I know our hard working students deserve it. On that note, I want to share some feedback from an individual who has been working with Massey-Vanier for many, many years. The feedback tells us all that what we are doing for all of our students, as individuals, is having the affect that is so very important for their learning.

Have a great summer everyone,

J. Edwards
Principal.

Received via email:

Someone I was working with in my classroom sent me an email that he was impressed by the quality of our students told me. He said that there's a glow of well being that wasn't showing 5 or 6 years ago. Actually, he thinks our students are beautiful people who seem to feel good about them.

PRINCIPAL'S LIST TERM 3: 90%+

Ayotte, Gabrielle
Beauchemin, Isaak
Dagenais, Rygel
Laumailier, Piper
Quilliams, Jacob
Refour-Tannenbaum, Hannah
Vermeulen, Julia
Webster, Zoey

HONOUR ROLL TERM 3: 80%+

Aiblinger, Zaya
Bailey, Lexus
Barrows, Alexandra
Benoit-Robitaille, Kaisey
Bergsma, Tabatha
Bienvenue, Reagan
Blanchard, Charles
Blanchard, Maxence

Track & Field	Bantam MVP: Junior MVP: Junior MVP: Senior MVP: Team MVP:	Malya Harvey Kaisey Benoit-Robitaille Danyk Paradis Alyssa Sherrer Hunter Westover

Congratulations!

Secondary III - Boston Trip

May 15 to May 17, 2020, all students in Secondary III (in the 2019-2020 school year) will have the opportunity to travel aboard a luxury travel bus to Boston. The two nights and three days consists of a variety of great activities including the USS Constitution, Bunker Hill Monument, some shopping time, Boston Museum of Science and Imax, a world famous Duck Tour (amphibious bus), the comedy presentation "Shear Madness," Boston Aquarium, Quincy Market, and a guided tour of Fenway Park. In others words, it is a great time and we wish for as many students as possible to take advantage of it.

The cost of the trip will be approximately \$490. This includes most meals, all activities, transportation, and hotel. In other words, it's almost fully all-inclusive. Students are encouraged to start saving now. This will avoid disappointment later. Registration will begin in January 2020. Questions can be answered by contacting Shelley Paige in the Office at 450-263-3772 ext. 23471. Don't miss out!

GREECE

At the end of April, a group of twenty-three students, with three teachers, travelled to Greece for ten days, the culmination of two years of fundraising, planning and organization. It was an amazing experience, and as some said, "a dream come true." The history, culture, geography of Greece was so accessible and fascinating for our students. We saw them grow and change in just ten short days, filled with unforgettable experiences. The value of travelling cannot be understated. Our students realized the advantages and comforts of living in Canada; they learned important lessons and solved problems associated with travel; they experienced diverging opinions and learned cooperation; but most importantly, they gained self-confidence and independence, the lasting gifts of travel. We, the chaperones, could not have asked for a better group of travellers. With no exaggeration, these students impressed teachers and guides from all over - but mostly, they impressed the locals. They were polite and appreciative guests; they were fabulous ambassadors of our school, of our region, and of our country. It was truly a delight and an honour to have accompanied this group of Massey-Vanier students. Have a great summer and to the graduates of our group, all the very best at college. You will be missed! Ms. V

TORONTO - NIAGARA FALLS

With perfect weather, 51 Secondary III and IV students with four staff members spent the weekend in Toronto and Niagara Falls May 17 to 19, 2019. In Toronto, the students admired the view from the top of the CN Tower and explored the passageways of Casa Loma. Niagara Falls presented further fun with an array of activities including the Journey Behind the Fall, a trip across the Niagara Gorge in the Spanish Whirlpool Aero Car, and the White Water Walk along the base of the river with an up-close view of the class six rapids. The bright lights and tourist bustle of Clifton Hill in the evening, with its amusement rides and mini golf, left the students with many positive memories. Sunday morning consisted of a soaking aboard the Hornblower (former Maid of the Mist) and finished with a visit to *Ripley's Believe it or Not!*. Massey-Vanier's students represented their community well, and took part in a positive experience that they will hopefully remember for a long time to come.

Orientation:	August 19 th & 20 th
First day of School:	August 29 th
General Assembly/ Meet the Teachers:	September 19 th
4 th Annual Pig Roast in support of Athletics:	September 21 st
