Dear Parents/Guardians,

We would like to share with you that at the writing of this letter, the FAE union is still following their unlimited strike mandate.

As you recall, this union represents the teachers from Val-des-Cerfs, with whom we share our Massey-Vanier building. Members of FAE have been picketing on or near our premises every day since their strike began. The union's legal right to an unlimited strike or their decision on where they picket is beyond our control.

As a result, we unfortunately will not be returning to classes in the building at this time and students do not have access to their lockers. Teachers will continue to reach out with remedial or enrichment opportunities. Teachers will not be moving forward with new curricula until the students are back in the building. If you have any questions regarding the material your child(ren) are receiving, please do not hesitate to email the teachers directly.

The Secondary II students will have a Student Services workshop organized on-line on Monday. Details will be sent separately to the Secondary II parents/guardians.

This situation is very fluid and can quickly change. Please regularly check your emails, our Facebook page or our website for updates or changes. Our hope is this will be resolved and we are back in the building as soon as possible.

Best regards,

Massey-Vanier's Admin Team
